Why us?

We are made up of all the students at Buckinghamshire New University – who are all members of Bucks Students' Union. We represent all students and are at the very core of the student experience with over 10,000 studying on a range of courses.

We are in an ideal position to provide effective marketing opportunities to our vibrant and diverse student population while offering your organisation access to our student body.

We are a registered charity, therefore, income generated through our advertising channels is reinvested into improving our services and ensuring that we offer the necessary support, to enable our members to succeed.

Freshers' advertising

Freshers' fairs

Our freshers' fairs happen right at the start of the academic year and offer a high footfall. We have, on average, over 2,000 new arrivals each year and there is no better time to influence and nurture our members. A stall at any of our events, gives you the chance to exhibit, demonstrate and promote your products, or services, to enthusiastic and highly engaged members.

At every event, we can provide: a table, two chairs, space behind for pop-up banners and access to electricity and Wi-Fi, if required.
