BNU CAMPUS LINK BUS SERVICE

The Campus Link bus service is provided free of charge by the university to students and employees who commute between High Wycombe and Uxbridge or Pinewood.

For capacity and safety, some changes have been made to the service for 2025/26.

These include:

- Double decker services on the busier Uxbridge-High Wycombe routes, this will increase capacity.
- A strict 'no-standing' rule has been implemented, please stay seated throughout the journey; this is to improve safety.
- The Pinewood service will now travel via the A40 rather than M40; this is to improve safety.
- Seat belts have, or will be installed, please use them; this is to improve safety.

The bus driver is not permitted to leave while there are passengers standing and so, if too many people are on the bus, those standing will be asked to leave the bus.

Please ensure you have your ID card with you and swipe it. It is not acceptable to use another person's ID. ID checks may be completed at random.

Please note that rude or aggressive behaviour towards the driver or other passengers is unacceptable and will not be tolerated.

While every effort is made to accommodate the needs of all students and employees, capacity is finite and so a seat on the bus cannot be guaranteed. In the event that capacity is reached, students will be prioritised. In such cases we recommend that you seek alternative travel to your destination. Please turn over for guidance regarding this.

ALTERNATIVE TRAVEL GUIDANCE

High Wycombe – Pinewood

As an alternative to the Campus Link, you can catch the next bus on the High Wycombe – Uxbridge Campus Link route to the Uxbridge Campus, make the short walk to Uxbridge train/bus station (UB8 1JZ) and catch the Pinewood minibus shuttle service to your destination. You can do this in reverse to travel to High Wycombe from Pinewood.

If you don't want to, or cannot wait for the next available High Wycombe – Uxbridge service you can follow the Uxbridge – Pinewood instructions and still utilise the Pinewood minibus shuttle.
