Staff Celebration

We want to hear who is going above and beyond and deserves recognition for their work in supporting students. You can nominate Staff members for a Staff Celebration award at bucksstudentsunion.org/yourvoice/staffcelebration.

One of last years Art, Design and Performance nominations said the following:

"Ravina Huh is one of the best lecturers we could ever get. She's understanding, she helped us out with any issues that occurred during the first semester. We feel supported and understood. Lectures are challenging but that's exactly what we need to get better and better. Communication is excellent. The email turnaround is quick and helpful. Personal support, tutorials, understanding, and additional help are needed. We really appreciate it."

How does the NSS relate to you as a Student Representative?

We use the eight NSS categories as part of the 'Your Voice' feedback collection for Programme Committee Meetings, to make sure that key areas of your student experience are being fed back on appropriately.

Additionally, we want to know what we can do to improve our service as a Students' Union to support you. Feel free to email any suggestions to **surepresentation@bnu.ac.uk**.
