

Business and Law

Your quick guide to being a rep

Who's who?

School Officer

Peter Ashiagbor (he/him)
peter.ashiagbor@bnu.ac.uk

Head of School

Sarah Williams
sarah.williams@bnu.ac.uk

Deputy Head of School

Sainey Faye
sainey.faye@bnu.ac.uk

Director of Education

Pia Carnegie
pia.carnegie@bnu.ac.uk

Staff Celebration

We want to hear who is going above and beyond and deserves recognition for their work in supporting students. You can nominate Staff members for a Staff Celebration award at bucksstudentsunion.org/yourvoice/staffcelebration.

One of last years Business and Law nominations said the following:

"Ravi demonstrated excellence and innovation in student learning support this year through providing personal exclusive seminars to students who may miss out on scheduled teaching due to playing sport on a Wednesday afternoon whilst dually enabling students who commute in from a long distance and have caring commitments not being affected by an earlier start."

Please feel free to contact surepresentation@bnu.ac.uk about any concerns you may have about your course

National Student Survey 2021-22 Feedback

What is the National Student Survey?

The National Student Survey is an anonymous opportunity for final year students to look back on their higher educational experience and feedback on different areas including the positives and areas of improvement surrounding their course for the University to use to improve students experiences in the future.

2021-2022 Results

BNU Overall Satisfaction in the NSS overall: **80.02%**

Overall, Business and Law School Satisfaction:

- With the University: **65.52%**
- With the Students' Union: **66.7%**

Common feedback occurrences to keep an eye on this year:

- Lack of clarity when it comes to assignment results and the reason students received a particular result
- Receiving responses to emails within a reasonable timescale

How does the NSS relate to you as a Student Representative?

We use the eight NSS categories as part of the 'Your Voice' feedback collection for Programme Committee Meetings, to make sure that key areas of your student experience are being fed back on appropriately.

Additionally, we want to know what we can do to improve our service as a Students' Union to support you. Feel free to email any suggestions to **surepresentation@bnu.ac.uk**.

The School celebrated:

Providing students with invaluable expertise in dealing with a variety of business-related challenges and how to resolve them.

Please feel free to contact **surepresentation@bnu.ac.uk** about any concerns you may have about your course
