Staff Celebration

We want to hear who is going above and beyond and deserves recognition for their work in supporting students. You can nominate Staff members for a Staff Celebration award at bucksstudentsunion.org/yourvoice/staffcelebration.

One of last year's Nursing and Midwifery nominations said the following:

"Carla maintains a collaborative, open and diverse learning environment and always demonstrates amazing leadership, patience and communication skills. We learn far more from Carla than what we need to pass our exams. Carla is an incredible asset to the University and all of us Midwifery students and I'm so very grateful that she's developed such an incredible Midwifery program and that we have a Uni that has supported her to build a team and a course that teaches to such an exceptional standard."

Please feel free to contact surepresentation@bnu.ac.uk about any concerns you may have about your course

National Student Survey 2021-22 Feedback

What is the National Student Survey?

The National Student Survey is an anonymous opportunity for final year students to look back on their higher educational experience and feedback on different areas including the positives and areas of improvement surrounding their course for the University to use to improve students experiences in the future.

2021-2022 Results

BNU Overall Satisfaction in the NSS overall: **80.02%**

Overall, Nursing and Midwifery School Satisfaction:

- With the University: **78.13%**
- With the Students' Union: **72.12%**

Common feedback occurrences to keep an eye on this year:

- Timeliness of receiving placement allocations
- Last minute timetable changes

The School celebrated:

Staff genuinely want you to do well and were available for advice, support and help whenever possible.

How does the NSS relate to you as a Student Representative?

We use the eight NSS categories as part of the 'Your Voice' feedback collection for Programme Committee Meetings, to make sure that key areas of your student experience are being fed back on appropriately.

Additionally, we want to know what we can do to improve our service as a Students' Union to support you. Feel free to email any suggestions to **surepresentation@bnu.ac.uk**.
